NEWSLETTER OF THE NEPEAN MEN'S SHED INC.

JUNE 2016

## G'Day Shedders

June has been a momentous month for the NMS. The front car park AND the driveway are now complete. An order for the emergency and exit lighting has also been issued and work is expected to commence by the end of June followed closely by the building and plumbing works for the wheel chair accessible toilet.... It is ALL GO to complete ALL the works required by Council by the end of September.

The AGM will be held on the 1st. August 2016. A number of existing Committee Persons will be stepping down so this is YOUR opportunity to step up to the plate.

Another significant event occurred during May. Stuart Ayres, state MP for Penrith has accepted the role of Patron for the Nepean Men's Shed .

Stuart has been a great supporter of Men's Sheds generally and NMS in particular. We welcome Stuart on board.

### **BELIEVE IT OR NOT**

This is the kind of photo that causes you want to rub your eyes disbelief!!! Is that really Bob working in the work shop.? I'm sure the pic has been 'photo shopped' as he has never been sighted anywhere but his office on Shed days. We will ignore the fact there isn't an access ladder kick boards in place on the scaffold.

### Spin Boards

The prototype was accepted, tested and welcomed by Spring Forward so Paul James and his crew have completed the remaining 19 to be delivered next week.

### THE GARDENING GROUP

Ramon and his crew have been busy building the garden beds along the northern boundary.

Now that the carpark is finished, he and his crew will have plenty of work with the landscaping at the front of the building and the embankment at the western boundary.
